

Finishing – Swine Care Technician

Belstra Group Farms is currently looking for motivated individuals to fill entry level positions on our pig farms. This is an opportunity for an individual to work for a family-oriented, local company that offers competitive wages and benefits, including insurance, a retirement plan, and earned time off. Reliable, steady work - 50-55 hours/week with some weekend and holiday work. Opportunities for advancement available.

NO PREVIOUS EXPERIENCE REQUIRED – ON THE JOB TRAINING PROVIDED!

Job description for Entry Level Positions

- Day to day:
 - Maintaining the cleanliness of the farm, includes power washing designated areas
 - Learn to safely/properly move pigs of various size
 - Sort and care for weaned piglets and/or hogs
 - Administer routine vaccinations/injections
 - Monitor overall animal health, care, and treatment
 - Accurate production recordkeeping
- Adhere to the Belstra Group Animal Welfare Policy and proper bio-security/safety protocol
- Showing leadership and cooperation with the rest of the farm staff

Physical Job Requirements

In order to perform the essential functions of a Swine Care Technician all applicants should be able to:

- Stand and/or walk up to 8-10 hours per day.
- Frequently bend, reach, stoop, kneel, and climb.
- Frequently use one or both hands/arms to grasp or pull.
- Frequently lift objects weighing 3 to 20 pounds.
- Lifting objects weighing up to 50 pounds
- Work in different environments (dust, heat, cold)

If you have any questions or would like to apply applications are available at our Belstra Milling headquarters in DeMotte, IN (308 15th St SE, DeMotte, IN 46310), or apply online at www.belstramilling.com. For questions, please call 219-987-4343 extension 179.
